JOHN BALL ZOO AND GRAND
RAPIDS PUBLIC MUSEUM
MILLAGE

For the purpose of establishing dedicated funding for the care of animals and artifacts, repair and improvement of exhibits, and providing enhanced educational programs, shall the total limitation on the amount of taxes which may be assessed against all taxable property in Kent County be increased by 0.44 mill (\$0.44 on each \$1,000 of taxable value) on all Real and Personal Property subject to taxation for the period 2016 through 2025, inclusive, which would be allocated equally to the John Ball Zoo and the Grand Rapids Public Museum? The amount raised by the levy in the first year is estimated at \$9,292,644.

To the extent permitted by law, a portion of the revenues from this millage will be captured by local authorities for authorized purposes. The total amount of captured tax increment revenues from such millage in the first calendar year of the levy is estimated at \$414,070.26. The tax increment authorities in Kent County, capturing a portion of this tax levy, include the following: the Downtown Development Authorities of the Cities of Cedar Springs, Grand Rapids, Grandville, Lowell, Rockford, Walker, and Wyoming, the Charter Township of Cascade, and the Villages of Kent City and Sparta; the Brownfield Redevelopment Authorities of Grand Rapids, Grandville, Kentwood, Rockford, Walker, Wyoming; and the Monroe North Tax Increment Financing Authority and SmartZone Local Development Finance Authority of the City of Grand Rapids.
