3. PUBLIC COMMENTS.

The Council welcomes and encourages the public to speak during the public comment and public hearing portions of the agenda. However, Council policy is to hear the public comment, not to act on the public comment at this time. Concerns brought before the Council during the Public Comment portion of the agenda will be referred to the City Manager for action. If, after communicating with the City Manager, no resolution is reached, the concern will be elevated to the Mayor and then eventually to the Council for action.

Those citizens wishing to speak on agenda and non-agenda items will be allowed a maximum of four minutes each to address their concerns. This is the only time during the Council meeting that citizens are allowed to address the Council. Please state your name and address for the record if you would like.
