7. DISCUSSION

- A. Discussion on 74/76 2nd Street Cedar Springs, MI 49319

Powell reported that the property recently went up for sale. She spoke with Kurt Mabie from the Community Building Development Team and they may be able to assist in the purchase of the property. **Gross** was in favor of exploring the idea, but did not want to specifically commit to only using the parcel as parking.

8. COUNCIL COMMENTS.

Powell reported that she can't wait to see all of the development going on. She is excited about the potential new park and hopes that the City gets the grant.

Atchison stated that she is happy to see that the City was selected for \$450,000 worth of sidewalk grants.

Nixon remarked that she was happy for a short meeting.

Gross remarked that he was the shortened meeting.

Conley thanked the board for coming on short notice to finalize the details of the grant application. She reported that there are several large infrastructure projects in progress. She also stated that she received compliments of Mr. Womack while visiting The Cedar Springs Mill.

9. ADJOURNMENT.

Conley adjourned the meeting at 5:47pm.
