T. Johnson

Bremmer expressed concern of public parking with two restaurants, the Kent Theater, and AA.

Watson stated he did not prefer the corrugated metal that he felt it should match surrounding businesses and use appropriate materials.

Bremmer suggested they close off the alley way behind Kent Theater. She also questioned how many employees would have and where would they park.

Abbo responded that quantity of employees would be directed by business and they would minimize used spaces.

Watson agreed they should close the alleyway.

Nixon suggested they could use concrete poles to redirect traffic.

Womack indicated other materials might be more appropriate.

T. Johnson stated that it would be better to curb it off and the alleyway could be improved with lighting.

C. Owens inquired if there would be a dumpster.

Abbo responded that when and if a dumpster was necessary, it would comply with current ordinances but that currently there is very little waste out of their establishments.

Bremmer interjected that marijuana waste had to be handled in a very specific way. She also stated that the current design diminishes character and is not harmonious with the downtown area. She cited Article 8, Section 569 in considering welfare of the adjacent properties and community.

Bray agreed that the building color proposed would throw off the downtown area and the purple was gaudy.

Abbo responded that they would work with what was allowed.

Bremmer referenced a similar store in Big Rapids that had big windows and was in more harmony with the local decor.

Womack agreed that windows brought a classic look.

C. Discussion on Ordinance 218-principal building or use

T. Johnson discussed unified function to take in account for two uses permitted with a unified appearance.
